Astral

Recurring Invoices

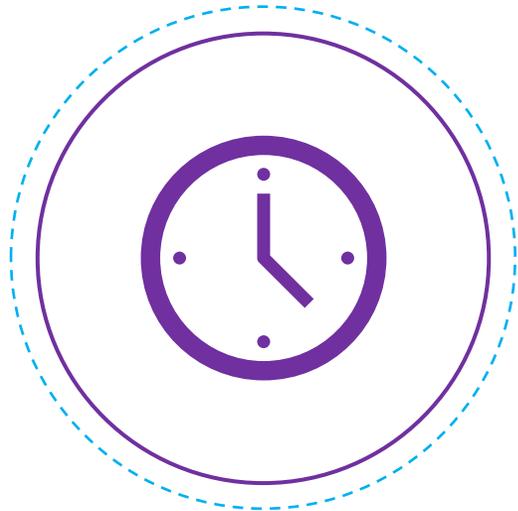

Astral Recurring Invoices allows you to easily create Recurring Invoice templates for your customers within Microsoft Dynamics 365 Business Central

This extension offers far more functionality to a business than the standard Microsoft Dynamics 365 Business Central "Recurring Sales Lines" function.

The user can setup a template for a specific customer, print a Recurring Invoice Agreement, and decide how they wish to bill that agreement in a variety of different periodic combinations.

ASTRAL RECURRING INVOICES

THE ASTRAL RECURRING INVOICES ADVANTAGES...

Save time

No need to spend time every month manually creating sales invoices. Create monthly invoices in a matter of minutes.

Be more productive

Easily create Recurring Invoices and give yourself peace of mind with the knowledge that repeatable invoices are automatically created.

Quick billing processes

With just one click, create personalised invoices for your customers.
